Glad to see you haven't given up the struggle against the forces of bureaucratic inertia.

25X1

As you may have learned by now via carrier pigeon, I have replaced [redacted] on the DDI Executive Staff. One of my duties, I'm told, is to keep open the channels of communication between Headquarters and our far-flung DDI reps. I'll do this by means of a newsletter issued at random intervals, and hopefully by personal correspondence.

25X1

All of which is to say that you should feel free to use the DDI's office to reach various and sundry analysts with whom you want to do business.

Enjoy the holidays, and let us hear from you.
